Re: Morrisette v. Town of Phillipsburg, Docket No. WRN-L-341-22

Dear Judge Mennen:

This firm represents the plaintiffs in this matter. On March 8, 2024, we filed a consent order proposing a schedule of filing for a partial summary judgment on the remaining counts of this case. So far as we are aware, the court has not yet signed that order. We write to forward a revised consent order. Plaintiffs were unable to meet the initial filing date on our previous schedule because of two deaths. We now forward a revised briefing schedule in the enclosed consent order. As before, this should obviate the need for the case management conference currently scheduled for April 3, 2024.

We thank the court for its consideration.

Respectfully submitted,

/s/ Peter Dickson
